BE THE BEST BOSS EVER!

Only £59 per session*

We know how busy you all are, and your development falls way down the list of priorities, so why not take advantage of our high intensity 4-hour interval training. Guaranteed to equip you with the practical skills and confidence you need to succeed as a high performing Manager, working with other Managers to share experiences and learn new skills and techniques.

Learning the habits of effective time management

Do you spend your day in a frenzy of activity and then wonder why you haven't accomplished much? Then let us share our time management tips that will help you increase your productivity and stay calm and collected.

Positive (and not cringy) Leadership

Avoid being a David Brent! Funny as he may be to watch no one wants to have a Manager who is delusional, cringeworthy and egotistical! Learn how to lead the team in your own style but considering the best ways to get things done, ensuring the team feel guided, supported, therefore more productive!

Interviewing for results

Have you ever had that 'perfect interviewee' who turned out to be a total nightmare once their feet were under the table?? We will give you some great insider tips and suggestions to ensure your time and money aren't wasted during that recruitment process.

Managing performance – the daily conversation

Being a Manager means constantly managing performance, good and bad! Are you someone who struggles with those awkward conversations, unsure of what to say or have no idea on how to tackle that ongoing issue? We will share the most effective ways of how to build that honest culture in your workplace which will ensure feedback is a constant daily occurrence.

Building a great team

Those positive employees who use their initiative, are engaged and communicate well will always be more productive and go the extra mile. Do you know how to build that perfect team?? We do!
